Dear Rick,

I would like to thank you for the wonderful presentation, "How To Be a More Effective Team Leader", you conducted to the staff of the Directorate of Morale, Welfare, and Recreation. I think most of our staff walked into the classroom that day expecting "another one of those trainings". I can guarantee you that when they left they took with them new ideas, motivation, and a better understanding of how to enhance their effectiveness.

The evaluations reflect consistent praise for your enthusiasm, knowledge of the subject, and your fun stories. Your everyday, real life stories appear to have really inspired the staff. I appreciate the energy and enthusiasm that you instilled in the day, there have been definite positive results.

I personally thank you for the time you took to familiarize yourself with our local community and for the restaurant gift certificate. It was a pleasure to have you at Fort Leonard Wood and we look forward to having you visit in the future.

Sincerely,
