Dear Dr. Rick Goodman:

On behalf of the American Cancer Society, thank you for your excellent presentation to the Broward Unit on Monday, January 26, 2009. Your presentation was thought provoking, energetic, interactive, and left a lasting impression on all that attended. The feedback from the group was very positive, and we would welcome a return visit. We appreciate that you catered the presentation to the needs of our organization, and we have already utilized the tools you presented.

Again, thank you for being one of the best presenters our Unit has experienced. We would be happy to recommend you for future presentations.

Sincerely,
