

Dear Dr. Rick Goodman, CSP,

AST and the State Assembly Leadership Committee would like to thank you for speaking at the State Assembly Leadership Forum / 2018 AST National Surgical Technology Conference in Orlando. Assessing the attendees' evaluation forms, the State Assembly Leadership Forum was very successful. Everyone we spoke with wants to express appreciation for your inspiring presentation. Your years of experience and ability to present the subject in such an exciting way produced a most memorable Forum.

For your reference, feedback on your presentation - The Game Plan...Solutions, Strategies, Results, you received 98% of the highest scoring.

By popular demand, we would like you back next year, Wednesday, May 29, 2019, at the Gaylord National Resort & Convention Center in National Harbor, Maryland (DC area). To present at least two hours (on a different topic) before the lunch break. Expenses would be paid and speaker fee adjusted. AST is celebrating their 50th Anniversary. Please let me know if this is a possibility.

Again, thank you for sharing your time and expertise. Truly appreciated!

Best Regards,
Nancy Hartwell, State Assembly Manager
